Career Objective

M.Sc. Computer Science student at Hochschule Fresenius, Cologne, with a B.Tech in Computer Science and hands-on experience in web development, Java, and AI-based projects. Seeking an internship, working student, or part-time role to apply my skills in a team and keep learning.

Education

- **Hochschule Fresenius** — Cologne, Germany
  Master of Science in Computer Science — *2026 – Present*
- **Anurag University** — Hyderabad, India
  Bachelor of Technology in Computer Science, CGPA: 7.84/10 — *2022 – 2026*
- **Narayana Junior College** — Hyderabad, India
  Intermediate (MPC), Percentage: 93% — *2020 – 2022*
- **Gurukula Vidyapeeth High School** — Hyderabad, India
  Secondary School Education, GPA: 10.0/10 — *2019 – 2020*

Skills

- **Programming Languages:** Java, C, Python.
- **Web Technologies:** HTML, CSS, JavaScript, React (Basic).
- **Database Management:** SQL, MySQL.
- **Technologies:** Artificial Intelligence, Machine Learning.
- **Languages:** German (Learning) | English (Fluent) | Telugu (Native) | Hindi (Conversational).

Projects

- **GPT-Based Open-Source Intelligence Using Historical Cyber Incident Reports** — Source Code
  An AI-powered cybersecurity platform built with Python, Flask, NLP, and GPT/LLaMA. Automatically collects cyber incident reports, extracts structured threat intelligence, and provides interactive dashboards and REST APIs for cyber threat analysis, visualization, and decision support.
- **Byte Buffet** — Source Code
  Developed an interactive and responsive restaurant website featuring a dynamic menu, item selection with quantity customization, and real-time order summary display. Implemented smooth navigation, intuitive user interface, and responsive design using HTML, CSS, JavaScript and Servlets.

Certifications

- Certified in **HTML5 & CSS3 & JavaScript – Infosys Springboard**.
- Certified in **React (Basic) – HackerRank**.
- Certified in **SQL – Intellipaat Certification Course**.
- Certified in **Python for Beginners – Infosys Springboard**.
- Certified in **Java – Intellipaat Certification Course**.

Hackathons

- Participated in **UNCEASE 2023 Hackathon** at Anurag University.
- Participated in **TechXcelerate Workshop and Hackathon** at Anurag University.
